

**MELINK**<sup>®</sup>

*Improving Store Comfort & Energy Efficiency™*

Melink Corporation is the industry leader in HVAC testing and balancing services for national accounts. Many of the largest restaurant, supermarket, and retail chains in the U.S. rely on us to commission their store HVAC systems for both new construction and remodels. Our national network of engineers and technicians is unique in this field and provides a solid platform for future growth.

Melink is also a pioneer and industry leader in variable speed controls for kitchen ventilation systems. Our Intelli-Hood Controls are being used by many restaurants, supermarkets, hotels, hospitals and schools around the world. The growing demand for green buildings ensures a bright future for this business.

The company's new headquarters is LEED Gold Certified which means its one of the most energy and water efficient buildings in the world. It also has a fleet of gas-electric hybrid vehicles to further promote the importance and benefits of environmental stewardship. Our vision is to become a force-multiplier in the green building movement.

Due to our continued growth and success, we are expanding our national network and have various openings throughout the United States. Melink is always looking for bright and talented individuals to join our team.

**Job requirements:** Must be very professional, have high integrity, and have good communication skills. The ideal candidate must also be willing to learn The Melink Way which includes procedures for testing and balancing, writing reports, and providing excellent customer service. Must also be in good physical condition and enjoy working independently. HVAC, electrical, and/or controls experience is desirable, along with computer skills. Competence in Excel is extremely desired.

This position requires extensive travel (75%) therefore the candidate **MUST** really enjoy and be able to travel locally, regionally, and nationally on an average of 2-5 days per week including overnight stays. (Will be home most weekends). This is an ideal position for a road warrior.

Typical compensation is \$60K-\$100K. Melink has a very competitive benefit package including medical, dental and life insurance; short and long term disability coverage, flexible spending accounts and 401k. Tools and equipment, as well as training, are provided.
