

The Next Generation of Solar Power!

Sleek and elegant, Melink makes clean energy attractive and affordable with its pre-engineered solar PV system, **Ingrid™**. Ingrid offers the ability to use solar energy without having to install on the roof.

For a limited time, Melink is offering Ingrid at a special rate:

\$11,995 installed

Ingrid not only provides energy but is an architectural feature you can be proud to display. In the growing green economy, it makes a statement that you are **part of the solution** for a sustainable future.

*Sleek, elegant curved design
provides aesthetic appeal*

*Concealed wiring provides a
clean look*

*25 year warranty on solar panels
3 year warranty on parts and labor
Financing available for those who qualify*
